

HOUSE JOINT RESOLUTION 63

By Cooper B

A RESOLUTION urging the board of education to require all high school students to complete one credit course in career and technical education prior to graduation.

WHEREAS, it is imperative that the youth of America receive the highest level of education so that we, as a country, may remain competitive in the international market place; and

WHEREAS, in order for American students to become more competitive within the global market, education must be offered on the subjects of intellectual property, telecommunications, job readiness, international marketing and business, global distribution and infrastructure, and foreign language; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIFTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that we hereby urge the board of education to innovatively modify curriculum requirements so as to expose all high school students to aspects of the global economy.

BE IT FURTHER RESOLVED, that we also urge each Local Education Agency to creatively implement this modified curriculum which addresses the global economy.

BE IT FURTHER RESOLVED, that an enrolled copy of this resolution be delivered to the commissioner of education with this final clause omitted from such copy.
